

Thank you to  
All who  
ENTERED THE  
DESIGN  
COMPETITION!

February 14, 2011

The Mt. Lookout Community would like to thank all who were involved in the planning of and voting on the design competition, and most importantly the creation of the designs submitted.

Professional design firms, creative and energetic DAAP students, and talented individuals from within and outside of our community submitted designs.

We are proud to announce that the JB Woodruff Design / Reztark team (JB Woodruff and Dean Luton, designers) unanimously won the vote and are our competition winners!

We were overwhelmed by the talent, and may incorporate ideas generated by several of the entrants in the final plan.

We have received additional funding for the project, and hope to begin Phase II of the project this spring.

Thanks again for all of your support, as we are extremely excited to see the positive impact that this project is having on our community.

Best Regards,

ANDY
